

PATIENCE (CONT'D)

It's like thinking about life. Do
I dare think about such a thing as life?

YVONNE

As far as I know a little life
never hurt anybody.

PATIENCE

How can I endure waiting all night
for tomorrow? Time will move so
slowly.

YVONNE

There is nothing like a good long
hot bath to get the cobwebs out.
Keep your mind occupied with some
movies. There are a few cliff
Hangers in there. They will keep
you involved. The night will be
over before you know it.

EXT. MATTHEW'S FRONT DOOR - DAY

Katie KNOCKS.

Matthew's ESPN Picture in Picture gets put on mute as he goes
to answer the door.

MATTHEW

(looking at Maverick)
We know who this is don't we?
(opening door)
Hello.

KATIE

(walking in)
When is Miss Runway coming home?
I expected her days ago.
When will the show air?

MATTHEW

Before you ask one more question
that I do not know the answer to.
I suggest you take a breath before
you exhaust me from trying to keep up
with all of your questions. (MORE)
